

# Edoardo Mauri

## WORK EXPERIENCE

October 2019 - Today

**Data Management** at *Centro ricerca fase 1 ASST-Monza Ospedale San Gerardo*.

Management of phase II and III oncological clinical trials data analysis and update, support to medical doctors in clinical trials management according to GCP, biologic samples collection and management, management of trial procedures, coordination of different departments working on trials from feasibility to close out, archiving of study documents, interaction with sponsor, CRO and vendors, drug safety, participating to international Investigator Meetings

January 2019 – October 2019

**Internship** at *Giuliani SPA (R&D Departement)* and *Dipartimento di Scienze e Politiche Ambientali, Università degli studi di Milano*. Research and characterization of active molecules of commercial interest using molecular biology and microbiological techniques. Evaluation of the diet in alterations of the microbioma in different dermatological pathologies.

December 2016 – May 2018

**Thesis activity** at *IRCCS Istituto di Ricerche Farmacologiche "Mario Negri", Environmental Health Sciences Department, Analytical Biochemistry laboratory*: Neonicotinoid pesticides and the developing fetal nervous system: in vitro effects on neuronal cells from mouse embryos and human derived iPSC. Evaluation of the effects of condensate obtained from electronic cigarettes in neural cultures of murine and human derivation.

February 2016 – November 2016

**Internship** at *Farmacia del Corso (Milan)*: Providing assistance for the sale of drugs, parapharmacy products and cosmetics, galenic preparations as well as for the internal organization.

## EDUCATION

October 2012 - July 2018

**Master's Degree in chemistry and Pharmaceutical Technologies** Università degli studi di Milano **103/110**

- Thesis: Characterization of murine and human experimental models for the study of the effects of neonicotinoid pesticides on neuronal development.

September 2007 - July 2012

**Scientific High School Diploma** Liceo Scientifico "Giacomo Leopardi", Milano **81/100**.

- Thesis: Photography: an important cultural revolution

## OTHER EDUCATIONAL ACTIVITIES

July 2014 - September 2014

**Study-working experience** in an Australian farm (Hamilton, Victoria, AU)

July 2011

**Intensive General English Course** at EAC Edinburgh School.  
Level: Advanced (C1) Edinburgh (UK).

## LANGUAGE SKILLS

Mother tongue  
Other

Italian  
English FCE: (June 2011); C1.

## INFORMATIC SKILLS

- Microsoft Office
- RasMOL
- Prism
- Imaris
- Photoshop
